United States District Court  
316 N. Robert Street  
St. Paul, MN 55101

*United States v. Terry J. Albury, 18 cr 67 (WMW)*

Dear Judge Wright:

We are writing to present our request regarding the Court's recommendation to the Bureau of Prisons in Mr. Albury's judgment. This letter is based on a conversation with Alan Ellis, co-author of the Alan Ellis' Federal Prison Guidebook. The proposed recommendation is as follows:

- The Court strongly recommends that Mr. Albury be designated to the Minimum Security Federal Prison Camp in Sheridan, Oregon, so that he may be considered for placement in that facility's Comprehensive Residential Drug and Alcohol Treatment Program (RDAP) and to be relatively near his very supportive family. In the alternative, should the Federal Prison Camp at Sheridan not be available, then the Court recommends that he be designated to the Minimum Security Federal Prison Camp in Englewood, Colorado, for the same reasons. Additionally, the Court has taken the safety concerns of Mr. Albury being a former law enforcement officer into consideration in making this recommendation. Should the Bureau of Prisons not be able to accord with this recommendation, the Court requests a written response.

On Mr. Ellis's recommendation, we are not seeking that Dr. Sachs' report be annexed to the PSR. With regard to the surrender date, Mr. Albury is prepared to surrender on November 8, 2018, but we ask that this proposed surrender date be modified to include a proviso that if designation is not completed by then, a new surrender date may be requested by the defense.

As this letter addresses sensitive issues, we respectfully request that we be permitted to file it under seal. A possible unsealing date could be the completion of the custodial portion of Mr. Albury's sentence.

Thank you for your attention to this matter.

Respectfully submitted,
